June 4 – July 24, 2015

Sikkema Jenkins & Co. is pleased to present *Over & Under* a group exhibition organized with the cooperation of Matt Keegan and featuring work by Tony Feher, Charles Harlan, Bill Jenkins, Matt Keegan, Babette Mangolte & Trisha Brown, Virginia Overton, Kay Rosen, Diane Simpson, and Haim Steinbach on view from June 4 through July 24, 2015.

Over & Under presents various works that have a clear relationship to the history of Minimalism, as evidenced by their material economy and modes of display – Tony Feher’s stacked plastic crates, Matt Keegan’s cardboard lattice panels, and Kay Rosen’s gridded wall painting, to name a few. Within this shared language of presentation, the artists also utilize a specific and related syntax. Predominantly rooted in sculpture, the included works employ familiar materials with a straightforwardness – meaning the viewer can map the process of making and/or assembly, leading to a conversational pace and interplay that weaves throughout the gallery.

Over & Under was organized with the cooperation of Brooklyn based artist Matt Keegan. Keegan’s solo exhibition, *Portable Document Format* is currently on view at Rogaland Kunstsenter in Stavanger, Norway through June 7, 2015. A companion publication will be released this fall. Keegan’s work is also included in *Storylines: Contemporary Art at the Guggenheim* on view at Guggenheim Museum in New York from June 5 through September 9, 2015.
